THE DETAILS and THE FINE PRINT...

- 1) **"SET AND FORGET"** - book once for the 2019 season of concerts. Choose all-4 concerts or any-3 concerts (all-4 concert subscriptions will have fulfilment priority).
- 2) **SAME SEATS** - enjoy the same seats for all concerts - if you provide us with a specific seating request we will endeavour to accommodate your preference, but seating requests cannot be guaranteed.
- 3) **TICKETS MAILED OUT CONCERT-BY-CONCERT** - No need to worry about misplacing the tickets during the year as your tickets for each concert will be mailed to you prior to concert date, according to the schedule provided with your subscription confirmation letter.
- 4) **TICKET DISCOUNT** - By subscribing you will receive a discount and save over the regular single concert ticket price (see over page for pricing details).
- 5) **ONE SIMPLE PROCESSING AND POSTAGE FEE** - each subscription (regardless of the number of seats) will attract a one-off processing and postage fee of \$6 for the year. This one-off amount is added to the total cost of the tickets. As always, there is no surcharge for credit card payments.
- 6) **NO ENVELOPES AND STAMPS** - there is no need to supply envelopes and stamps for your subscription. We will include the postage and envelopes as part of the subscription package.
- 7) **SUBSCRIPTION CONFIRMATION LETTER** - Once subscriptions are processed, you will receive a confirmation letter with your subscription details - concert dates, seating, ticket mailout dates included.
- 8) **SUBSCRIPTION RENEWALS** - renew your subscription within the renewal period for the following year to retain the same seats. If you are an existing subscriber your renewal will be processed before new subscriber applications. If you do not renew your subscription your seats will be allocated to other patrons.

Additional Conditions:

- 1) Subscription applications must be lodged using the booking form attached to this subscription information sheet.
- 2) There are no refunds or credits available for unused tickets during the course of each subscription year. The value of unused tickets is not able to be transferred as a credit to the subsequent year renewal of your subscription.
- 3) Your subscription must be renewed during the annual subscription renewal period to guarantee same seat allocation for the following year.
- 4) It is not possible to "mix-and-match" performance times and seating areas within the one subscription.
